## EXHIBIT HALL FLOORPLAN

Entrance

**Visit Flamma at Stand 37**

Entrance

FLAMMA USA is located in Malvern, PA (near Philadelphia) that specializes in the cGMP manufacturing of early stage pre-clinical small molecule API projects (g to kg). Leveraging the entire Flamma network to also provide NCEs, RSMs, and advanced intermediates allows Flamma to decrease the timeline of the project and be a valued partner for your drug development. Set your meeting directly by visiting [FlammaGroup.com/events](https://FlammaGroup.com/events)
